GROCERY: PRICE COMPARISON REPORT

08.09.25

OVERVIEW

A weekly dive into a basket of 30 branded and own-label products across **Aldi**, **Asda**, **Co-op**, **Morrisons**, **Ocado**, **Sainsbury's**, **Tesco** and **Waitrose**. The basket we've chosen to look at is pretty universal – a combination of products based on a shop for a few breakfasts, lunches and dinners plus snacks, drinks, and a few other items.

I'm not sure we need to explain the abbreviations and acronyms being used here, but it wouldn't be a good report without a key, so:

- **NOW**: Friday of the previous week unless otherwise stated
- **LY**: Last year; **LM**: Last month; **LW**: Last week
- **YOY**: Year-on-year; **MOM**: Month-on-month, **WOW**: Week-on-week

Observations – 08.09.25

- **Asda** shows the highest number of products reduced WoW, MoM and significantly more than other retailers YoY, with 6 more products than the nearest (joint) high.
- **Aldi** is the cheapest retailer again this week with **Asda** in a close second, basket prices are £84.60 and £86.58 respectively. **Tesco**, **Sainsbury's** and **Morrisons** all have a basket prices over £90, and **Waitrose**, **Ocado** and **Co-op** over £100.
